24 - 26 September 2020  
Kuala Lumpur Convention Centre, Kuala Lumpur, Malaysia

	<b>Name (First Name/ Last Name)</b>	<b>Chong Pan Pan</b>
	<b>Position</b>	<b>Senior Lecturer</b>
	<b>Institution</b>	<b>University of Malaya, Malaysia</b>

### Short CV

Dr. Chong Pan Pan is the senior lecturer in Department of Orthopaedic Surgery, Faculty of Medicine, University of Malaya. Additionally, she is the person in charge to set up the Good Manufacturing Practice Laboratory in National Orthopaedic Centre of Excellence in Research and Learning. She has also been put in charge of the newly provided clinical service using platelet-derived extracellular vesicles to treat musculoskeletal diseases. Her research interest involves the current and innovative area of tissue engineering and manipulation of adult stem cells for future use as biological therapies for poorly regenerating tissues. To attest her work, Dr. Chong has published in several quality peer reviewed journals and presented her works extensively and globally at numerous international level conferences.
